- Home care deliver services to 1437 elderly

Timeline 201	11 -	New	leadership	team
--------------	------	-----	------------	------

- New leadership team being motivated via Eden Alternative Associate training
- Selfstudy and discussion of our future strategy
- Drafting a SWOT at a staff meeting via collages, dreams, songs and theater
- Dementia trainings to become both an EA home and a dementia specialist home
- Study trips
- · EA Associate training of all staff members
- Strategy finished and published

Timeline 2012 /

2012

- Release of the strategy at a staff meeting in January
- EA café residents invite themselves to join
- Each team gets one day of training per quarter with the subjects:
 - Model for citizen review (Tom Kittwood)
 - Communication
 - Cooperation with families and relatives
 - Connecting the 3 subjects

HILLEROI

Timeline 2013-/

EA registration 31st of August 2013

- The application connects the various reflections on each step in M1 and leads to conclusions regarding what we have achieved at the concerned step
- · Milestone 1 coupled with the strategy
- We continue our work with the milestones

- · People living with dementia
- Eden Alternative
- Marte Meo

18-04-2016

Marte Meo

- A tool to improve the relationship between the elderly and the staff
- Also used to improve the staff's competences

18-04-2016

Resident experiences /

Growth - from spectator to participator

- Eden Alternative Café, the residents have deeper conversations about life
- More time for the residents to do the daily activities by themselves. The staff members have more real time with the residents. (User time percentage 76 %)
- More influence and participation in the daily activities
- Closer relations

Families /

Growth

- More involvement
- · More participation
- Many want their parents/spouse to live in Ålholmhjemmet
- · The assisting spouse gets more dignity

18-04-2016

Staff /

Growth – from professionals to "relation based" and person centered care

Results:

- Absenteeism dropped < 4 %
- Fewer temporary workers
- · No recruitment problems
- All unsolicited applications
- Many candidates in vacancies
- We don't use experts from the outside

My individual growth /

Growth - from controlling to giving opportunities

- · More confidence in staff
- · More spacious
- · Stronger belief that things can be managed, if I am willing to work for it
- · Conscious that success for me is when I see others grow
- Proved to myself that it pays to pull together
- More professional satisfaction

MY management Motivate staff Focus on Feelings Values Staff achieve more **Ethics** Morals Learning Personal growth Visions When I challenge the staff they perform better

The managementgroups

Succeses

- We managed to create
 We failed the official a familiar relation between staff, residents and families.
- staff and managers witch feeds into the residents.
- We are the preferred training center for students.

Failures

- doctor inspection in 2012 because we only had focus on the relations.
- More equality between The matching of expectations between staff and managers wasn't clear.
 - We worked a little too fast in the beginning. We "forgot" the residents.

- Autonomy
- Security
- Connectedness
- Meaning
- Joy

3 strategies to initiate the culture change journey

- · All employees EA Associates from the beginning
- · Milestone 1 as a tool for strategy
- · Marte Meo as a tool for communication

Positive outcomes for

Elders

- Participate in the daily Competences are activities and make decisions
- Eden Alternative cafe More responsibility
- Closer relations

Employees

- strengthened, we don't need to use experts
- · Better working environment

3 strategies to create sustainability

- Educate all managers and staff. They know their competences
- Facebook
- The relations between staff, residents, and families
